

**Meet the New Age People  
for the New Age Solutions >>>**

# Partner with the New Age Leaders

## About Texavi Innovative Solutions

Texavi is a new age, social and behavioural technology start-up. We help you leverage modern technologies, blending delightful user experiences, agile methodologies, social business and digital delivery channels. Get the best from our proven practices of Solutions development, Consulting and Training. No wonder our clients call us the new age people for the new age solutions!

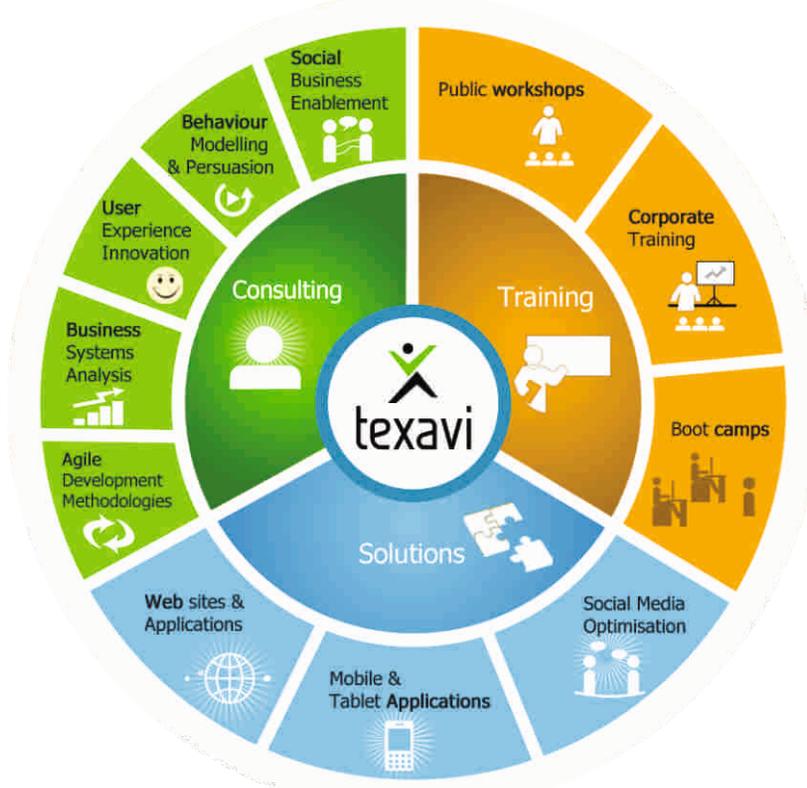

## Why Texavi

Benefit from our rich experience and expertise in user research, deep domain knowledge and high-end consulting. Our talented young team provides able support through in-depth analysis, intuitive design, robust development and efficient delivery practices.

- Manage & respond to change better - we are agile
- Take small steps to big goals - we are lean
- Get the best from technology - we are smart
- Make your customers and users happy - we are in the people business

# Portfolio of our offerings

An overview of Texavi's Services, Practices & Focus Areas:

## Service Offerings

### Solutions

Texavi offers development on a range of emerging platforms and technologies such as Microsoft.Net, LAMP, iOS and Android.

### Consulting

Leverage our experience & expertise in Social business and marketing, behaviour change, persuasive design and customer experience.

### Training

Training differentiates champions from players. We conduct customised corporate training as well as public domain workshops.

## Texavi Partners

We are proud to partner with Microsoft, IBM and RIM BlackBerry in delivering successful solutions to our clients.
